

March 13, 2020

Dear RCM Members and Partners

Due to the public health risks associated with COVID-19, Recreation Connections Manitoba (RCM) is following the [recommendations put forth by the Province of Manitoba](#). Committed to the safety of our members, RCM is postponing all courses effective today, March 17th, until further notice. This includes the upcoming Refrigeration Operator Level 2 Course and Aquatic Facility Operator Course. We apologize for any inconvenience this may have on our members and will continue to monitor COVID-19 developments to reschedule these courses for the future. In addition to this, the RCM staff will be working remotely for a least two weeks to ensure appropriate social distancing is adhered to. All scheduled in-person meetings during this time will be converted to teleconference or postponed to a later date. Contact information for staff will remain the same as before, and can be found here: www.reconnections.com/Contact

We will continue to keep you informed as new information becomes available. If you have any questions or concerns, please contact me at RecConnections.ed@sportmanitoba.ca or (204) 925-5748.

Daria Jorquera Palmer
Executive Director
Recreation Connections Manitoba
