## COVID-19 Immunization Record

**Pfizer-BioNTech COVID-19 mRNA**

**Jun 20, 2021**

This is an official Government of Manitoba COVID-19 Immunization Record from the SH-CORD system.

COVID-19 immunization information can take up to 10 days to become available online. Check back daily for your information. If it has been more than 10 days and this information is still not available online and/or it contains errors, complete the [Immunization Record Request form](#) or contact 1-844-MAN-VACC (1-844-626-8222).

This record contains confidential personal health information that can only be collected, used or disclosed where allowed by The Personal Health Information Act. Any unauthorized use, disclosure, distribution, or copying is strictly prohibited.

More information about COVID-19 immunizations can be found [here](#).

Immunizations are recorded in the Manitoba Immunization registry. If you require a copy of your immunization record, complete the [Immunization Record Request form](#) or contact 1-844-MAN-VACC (1-844-626-8222).
