

RECREATION MANITOBA

Recreation and parks are essential to the well being of communities and individuals. We are a provincial non profit organization who is working towards a Manitoba where everyone shares in this vision. [READ MORE ON OUR BELIEFS\(link\)](#)

WHAT WE DO

Educate / Communicate / Advocate

- We provide training for practitioners and volunteers. Topics and training include trail development, risk management, refrigeration, aquatics, arena management and more.
- We communicate with the sector providing resources and opportunities to connect and share best practices.
- We promote the benefits of recreation and parks and advocate for more support for the sector.
- We serve as a Hub for recreation and parks information throughout the Province
