We invite you to become a member of Recreation Manitoba. Membership promises to strengthen our association and our commitment to leadership excellence of recreation professionals. It will also strengthen our resolve to make recreation a strong and vital entity in Manitoba.

What it means to be a member

Recreation Manitoba is a non-profit membership association whose purpose is to promote, develop and facilitate opportunities that will support recreation and recreation professionals in this Province. These opportunities include (but not limited to):

- **Extensive networking** with colleagues from around Manitoba who share similar interests and have diverse expertise.
- Having your **views and concerns** brought forward, as Recreation Manitoba speaks to government and stakeholders on your behalf.
- Provincial and regional **professional development** and training events.
- **Regular communications** through email special news bulletins and regular bi-weekly newsletters.
- **Participating in committees and working groups** to positively influence the future direction of recreation, provincially and nationally.
- **Voting** on issues that affect the recreation profession and the health and wellness of Manitobans at the Annual General Meeting.
- **Uniting** recreation professionals and creating the swell of support critical to the success and future of this association.
